OMAN AI SUMMIT
Muscat | 2025

POST – EVENT REPORT

Sustainable Digital Investment

Towards Oman Vision 2040

27 – 28 January, 2025

OCEC – Muscat , Oman

More information: www.omanaisummit.com

Dear Omanis,

As we realize the importance of the small and medium enterprises sector and the entrepreneurial sector, especially projects that are based on innovation, artificial intelligence and advanced technologies, training young people and enabling them to take advantage of the opportunities offered by this vital sector, to Be a basic building block in the national economy system, our government will work to follow up progress in this field. We will give all attention, care and support to the development of a comprehensive national framework for employment, as it is a basic pillar of the national economy, which requires continued improvement of its environment in the public and private sectors, reviewing and developing employment systems in the government sector.

His Majesty Sultan Haitham bin Tarik, The Sultan of Oman

Under the Patronage of:

**His Highness Sayyid Marwan
bin Turki bin Mahmoud Al Said**

Governor of Dhofar, Governate

ORGANIZER'S NOTE

Oman AI Summit 2024 hosted on the 27th & 28th January 2025, OCEC - Muscat organized and brought to you by Tazeez for Artificial Intelligence LLC - an Oman Based leader and is one of the emerging and promising Omani companies in the field of artificial intelligence to contribute to setting the Sultanate's strategy in the field of artificial intelligence and cloud technologies by providing innovative smart solutions that enable the future of artificial intelligence through global strategic partnerships. We hope this gathering has brought together the best minds that share their expertise and knowledge for you to gain new insights, make new connections and stay updated with the latest trends in Technology and Artificial Intelligence. Enjoy the show, and we look forward to hosting you again for Oman AI Summit 2026. Under The Patronage of: His Highness Sayyid Marwan bin Turki bin Mahmoud Al Said, Governor of Dhofar. In line with Oman Vision 2025 and endorsed by The Ministry of Transport, Communication and Information technology - Oman and the Telecom Regulation Authority, Oman AI Summit is the largest annual technology exhibition and gathering for all Industry professionals and experts in the Sultanate of Oman to discuss, innovate, and discover and accelerate investments, discover the latest applications, best practises and trends evolving in the space of Artificial Intelligence in the region and globally. With local and global visitors and Exhibitors, Oman AI Summit is the largest exhibition in the Sultanate of Oman bringing together world-class AI Solution providers to meet and connect with Omani Enterprises, Government entities, MSME's, Educational Institutes, and all Industry sectors. The Summit will attract world renowned speakers sharing the sharpest thought leadership with though-provoking Industry Keynote presentations and Panel discussions. Hear directly from experts and high-level figures on the future of AI and it's current impact in The Sultanate of Oman

What Attendees Have To Say:

— “ —

This event held a special place in my heart, not only because it was my first time speaking in an Arabic country as an Arab woman, but also because of the warmth and hospitality of Oman and the Omanis. A big shoutout to the organizers The Future Event for curating such a diverse panel and for creating space for these critical conversations. And a heartfelt thank you to Oman for its incredible welcome

Asma Derja

Founder at the Ethical AI Alliance

— ” —

— “ —

Special thanks to the Oman AI Summit organizers for creating such a valuable platform for these important conversations. It was a truly enriching experience, and I'm excited to see the positive impact of AI on talent acquisition and the realization of Oman's Vision 2040.

Hamed Al Abri

Digital Talent Development and Resourcing Lead at Petroleum Development Oman

— ” —

— “ —

Being a speaker at the Oman AI Summit 2025 was an incredible experience, but what made it even better was the opportunity to learn from some brilliant minds in the field. It was truly inspiring to be part of this summit, not just as a speaker but also as a learner. Engaging in discussions with such knowledgeable professionals and gaining fresh perspectives on AI made this experience even more valuable.

Muhammad Abbas Suleman

AI Model Developer

— ” —

— “ —

We must say it was amazing! A huge thanks to the organizers for managing this fruitful event. Today's highlight was a key speech by our Founder and CEO, Hani ElGebaly on "Vision, Big Data, and AI." We also had the pleasure of meeting with government entities, potential partners, and clients. Looking forward to more cooperation in the Sultanate of Oman!

Hani ElGebaly

AvidBeam Technologies

What Attendees Have To Say:

A big thank you to the Oman Ai Summit organizers and all the inspiring speakers and attendees. I am excited to continue these important conversations and collaborations!

Saud Al Zakwani

Head of Digital Transformation at Petroleum Development Oman

We are very happy to be a part of this summit. The organizers have been doing a very amazing job, connecting a lot of people together at this place from AI industry leaders and IT Managers of Oman and also Arab region.

May Khaled

Head of partnership and corporate Alliance at Data science

This premier event brought together visionary leaders, government officials, and industry pioneers to explore how AI is shaping the future of businesses and economies. The summit provided a vital platform to foster collaboration, share ideas, and shape the future of AI in the region.

Exceed IT services Team

A leading event showcasing the latest advancements in AI tools, technologies, and strategies shaping the future. The summit brought together industry leaders, decision-makers, and experts from various sectors, offering a wealth of knowledge and opportunities for collaboration.

Abdulrazaq Al Zaabi

Assistant specialist product developer Omantel
